The second term of interactive webinar lectures hosted by the International Academy of Oral Oncology. These are free of charge but online attendance is restricted in number.

Please use the link:

laoo.webex.com

All you need is broadband internet and speakers. Webcam and microphone are optional as you can ask questions by typing it in the interactive window. Setup of software takes about 10mins and involves downloading JAVA software from WebEx. Link to join the live meeting will download the software automatically.

Timing of lectures: we recommend log in at 1845 to establish connection prior to webinar at 1900
